Company Description

For the past 11 years, Diamond Wipes International has been serving cosmetics, household, personal/health care, and hospitality/foodservice markets nationally and internationally. The company specializes in packaging and assembly of pre-moistened non-woven fabric and provides full-service, turnkey contract packaging solution. It operates two plants in Ontario, CA (West) and Bucyrus, OH (East), totaling over 160,000 sq. ft. of FDA-registered, EPA-certified production environment, equipped with highly-specialized machines and on-site R&D micro lab. By closely working with customers from the planning stage through production and packaging, delivery of finished goods and customer service, Diamond Wipes actualizes each and every customer's product vision.
